

The Greater New York Regional Helpline Needs YOU!

Having recently entered the 21st Century, the GNYR Helpline is looking for volunteers to answer the Helpline ... **FROM HOME!!!**

Yes! It's true! After being trained by members of the Helpline Committee at the Helpline Office (154 Christopher Street, Suite 1B), you can choose your hours and answer Helpline calls without going to the Helpline Office!!!

Are you a night owl who doesn't want to be in the office alone at 3 AM?

Are you a freelancer who works from home?

Are you an early riser who doesn't want to go to the office at 8 AM?

Are you a parent who can't leave your kids alone?

Are you a member of an Area that is far from the Helpline Office?

Are you in any way, shape, or form unable to get to the Helpline Office?

NOT AN ISSUE ANYMORE!!!
