Dear NA member,

This service resume will be considered personal and confidential. As such, it will be distributed only to RSC voting participants, and will be collected and destroyed at the close of the meeting, or when the seat you have been nominated for has been elected.

Before you complete this resume, the RSC would like to let you know a little more about service at the Regional level. The position for which you may be nominated will require that you make a commitment of at least one year, with the possibility that your commitment could last for two years. This means that you may be asked to make a considerable investment of your time. You may be asked to travel, and spend time away from your family, job, and home. This is especially true for members and officers of the RSO Board of Directors, and the RSC Administrative Committee. Certainly, you will have work to do at home in your spare time, such as reading or writing reports, and discussing the plans and objectives of your work with other members of your Board or Committee. In addition, you may have to make several phone calls to other trusted servants.

In order to provide our fellowship with the very best level of service possible, we ask that you carefully consider all the responsibilities that go with the elected position for which you may be nominated. You may wish to consult your employer, family, and /or sponsor. Talking with members who have served at the Regional level may also be helpful for additional insights. Service at this level has many rewards and may have a profound effect on your life and personal recovery. However, it does not come without hard work, long hours, dedication and personal sacrifice.
